

# T2A QUIZ

## Steps to host an online T2A Quiz on Teams

- Send out an email invite to young people who are 15-18 (give away a small prize for a winner)
- Run a short icebreaker (e.g. "Run around your house to find one thing that makes you laugh or smile"... when everyone comes back after two minutes they share their name on Teams and show the funny item)
- Get young people to grab a pen and paper. Call out the quiz questions. At the end, go through the answers and pick a winner (maybe use a draw or you could use a website like <https://wheeldecide.com/> to pick a winner). You may even like to have a guest from Next Step Plus join the Teams meeting to share about their service before you give out the prize.
