

TRANSITION TO INDEPENDENCE

→ ROAD TO INDEPENDENCE... JOURNEY TO SUCCESS ←

Leaving care to live independently can be a positive experience if you have access to the right information and support.

Transition to Independence Month (November) focuses on helping young people make the journey to independence and achieve positive life outcomes.

Next Step After Care services assist young people who have left care by providing practical support and advice. Call or text 1800NEXTSTEP 24/7.
